

2 cups flour
1 cup salt
4 tsp Cream of Tartar

2 cup water
2 Tbsp. oil
Food coloring

Playdough

Heat water, oil & food coloring over medium heat for 5 minutes, cool down to low heat & add dry ingredients. Stir until it forms a ball. Knead like bread dough. Makes 24 batches. Store each batch in a

Solution A. 3 Tbsp colored water & 4 Tbsp Elmer's glue, mix well & set aside in a small bowl.

Solution B. 3 Tbsp water & ½ tsp of Borax, mix well in large bowl till there are few crystals left.

Pour A into B. **Do Not Mix.** Wait for 5 minutes. Then stir to be sure it is mixed well.

Gak

½ Cup Dawn 2 Tbsp Glycerin 1 Gallon Water

- Glycerin makes longer lasting, stronger & more colorful bubbles.
- Too much soap causes short-lived bubbles.
- Make sure the water is warm.
- Stay out of the wind.

Bubbles

For kid's pool, fill to a depth of 3 inches with bubble solution & use a hula hoop. Have child stand on a stool in the pool & draw the hula hoop up over the child making a large bubble around the child. This takes practice.

Mix 2 cups flour with 1 cup salt.
Add 1 Tablespoon of oil.
Add 1 cup of water.
Dough will be like a pie crust.
Add a little more water as needed.

Hand Casting

Dust your hand with flour then press into the dough.
Put it on some parchment paper or directly on the cookie sheet & bake at 250° for 10 minutes.
For a FUN touch, add food coloring or paint it later.
